

Steven R. Creamer

May 10, 1958 - March 4, 2025

Retired Funeral Director and Owner, Steven R. Creamer, 66, of Annville, passed away on Tuesday, March 4th, 2025, at his residence. He is survived by his loving wife of 31 years, Brenda M. (Sanger) Creamer.

Born in Lebanon, PA on May 10th, 1958, he was the son of the late Robert E. and Phyllis "Geeb" (Hansen) Creamer.

Following his grandfather, great-uncle, and father in the funeral industry, Steve was a third generation Licensed Funeral Director, and former owner of Creamer Funeral Home and Crematory, Inc., before retiring in 2022. He was a 1976 graduate of Annville-Cleona High School. In 1980, he graduated with a Bachelor of Science Degree in Criminology from Indiana University of Pennsylvania, where he played football and rugby, and was a member of the Sigma Tau Gamma Fraternity. Steve obtained his Funeral Service Arts and Sciences Degree from the Pittsburgh Institute of Mortuary Science in 1981, which allowed him to serve as a Licensed Funeral Director for over 40 years, and to own the business for over 38 years before transitioning it to his son, Christian.

Steve was very active in his community, holding various Board of Director positions and contributing to the American Cancer Society, Annville-Palmyra Sertoma Club, where he received the "Sertoman of the Year" Award in 2020, Annville-Cleona Lions Club, Shining Light Ministries, Lebanon Family Health Services, Lebanon Rescue Mission, and the Central Chapter of the Pennsylvania Sports Hall of Fame. He had a strong faith, a genuine love for

God, and was a lifelong member of Christ Church United Church of Christ in Annville. He was a member of Lebanon Country Club, Mt. Lebanon Masonic Lodge #226, and Zembo Shriners. His professional memberships included the National Funeral Directors Association, Pennsylvania Funeral Directors Association, where he served as District Governor from 2019 to 2023, Lebanon/Schuylkill County Funeral Directors Association, where he served as President, and the Lebanon Valley Chamber of Commerce with whom he was named the Business Person of the Year in 1999 in recognition of his commitment to the community. One of his greatest, and most rewarding career achievements occurred when he volunteered as a member of the National Funeral Directors Association Fatality Team in New York City following September 11th, 2001.

Steve was active his entire life, completing multiple marathons, triathlons, and working out regularly at CrossFit Hershey. He enjoyed golf trips with friends, visiting his children at college, vacations, mission trips, remodeling apartments, mowing the lawn, a good cigar, Green Bay Packers Football, skiing, boating, fishing, casino trips, going to the movies, his famous homemade salads, Dairy Queen M&M Blizzards, coffee, and beer. He was never without his beloved dog Riley, who served alongside him as a Therapy Dog for the Funeral Home. But most of all, Steve loved the time spent with family and friends, whether that was at his home in the Pocono Mountains, or some other place.

In addition to his wife, he will be missed by his son, Christian Steven Kreamer of Annville, his daughter, Kennedy Dawn Kreamer, significant other of Joshua A. Kopman of Tampa, FL, four sisters, Sue Ann, wife of Robert Freeman of Lebanon, Kristen Kreamer of Plymouth Meeting, Stefanie, wife of Benjamin Dohner of Annville, Holly, wife of William Shirley of Downingtown, a granddaughter, Carsen Grace, many nieces and nephews, his coworkers, and two grand dogs, Panda and Millie.

“ One of the greatest human beings who ever lived, and one of the most cherished friends to have ever had. Steve and I became good friends in junior high school, and it always bothered me that we only got to see each other occasionally during our working and family raising years. Just goes to show that if you have an old friend you always wanted to invite over for a beer, do it now. Steve's smile and great love of laughter made every meeting a joyous reunion, and our friendship always just picked up where it left off. May God bless his family, just as we were blessed to have him as a beloved friend.

“ I'd like to convey my sincere condolences with the passing of Steve. I didn't know Steve well but I have very fond memories of the summer (s) that Steve was a director of the summer program at the Cleona playground. We played all kinds of sports and he organized great tournaments. I looked forward to getting up and heading to the playground as soon as it opened. He was great with me and my friends and I mention it to my grandson often. I'm sorry for your loss.

“ Each of us had our own unique interactions with Steve throughout the years, and yet, we collectively experienced the qualities that endeared him to so many: kindness, thoughtfulness, and compassion, to name but a few. I've known Steve since high school and have always rejoiced in the events in his life which brought him joy: serving the community in his family's business; marrying; becoming a father. He was passionate about serving the community he loved, generous with his time, his smile, and, I suspect, with financial assistance with funerals when the situation warranted it. For all his accomplishments, he was authentic, modest, and unpretentious. He was a bright light not only during our family losses, but also in the world at large. How blessed we've been to have received his hugs; his laughter; his very presence in our lives.

Sue Ann, Kristen, Stefanie, and Holly-

I am deeply sorry for your loss. I pray that over time, your memories of Steve throughout your childhood and beyond bring you smiles instead of tears. And I pray that the love of your family, friends, and the community carry you through the days ahead.

Christian and Kennedy-

I am so sorry for your loss. Whenever I'd see your dad throughout the years, I'd always ask about his family, and he'd always update me on how you were doing and what you were up to. Please know that he loved you dearly and was always proud of you through every stage of your life. I pray that you find peace and comfort in this saddest of journeys.

Brenda-

It's not easy to be married to someone in Steve's profession, as you know all too well. As such, you had to share him with the public. Steve was such a big presence in the community, that you had to share him in an equally big way. Thank you for sharing him with us all. I pray that the days ahead bring you comfort and peace. I keep you and your family in my prayers.

Steve was someone I met when I was new to the Community and joined the American Cancer Society Board. He was instrumental in supporting and offering his assistance with the Relay for Life when I was Chairman during the time it was just getting off the ground. He and his wife Brenda and the Funeral Home gave their staunch support. Years later when my son Adam died and our family needed help making arrangements, he was right there offering assistance. He helped us through an inordinately difficult time. He will certainly be missed. God Bless my friend and his family.

“*Sincerest of condolences to Brenda, Christian and Kennedy. Steve was such a great guy and a pleasure to be neighbors with. I would always chuckle every time he would mow the grass. He'd have his cigar clamped between his teeth and drove his riding mower with such joy. Steve would never be too busy to stop and share a cold beer with my husband when they'd both be outside working. His passing is so shockingly sad. Heaven received a beautiful soul.*

“ Dear Brenda and family, the news of Steve’s death is stunning. All of us who admired this extraordinary fellow express our sorrow and stand in solidarity with you as you grieve.

Vivid memories of 1980-81 at Pittsburgh mortuary school have awakened, and I can recall being drawn on day one to this bright and fun classmate, brimming with personality, who quickly became a good friend and later, a colleague business owner. Our close-knit class enjoyed countless social gatherings and good natured pranks, with Steve always in the mix and usually centre stage. I remember meeting his attractive parents on graduation day, and the wistful feeling of going our separate ways. Were we to have issued awards that year, Steve’s of course would have been “most likely to succeed.”

And succeed he has – evident in his stellar family; a high-quality, thriving business; a community richer for his contributions; a connoisseur of earthly pleasures and adventures; and above all, human lives lifted up in their darkest hour through his genuine tenderness, grace and love. Steve was a man of sterling character with an enormous heart!

May you, his family, savor the indelible memories of Steven Kreamer as you commend him into God’s eternal care, where he now experiences the risen life Christ has won for him. Peace and mercy be yours as you mourn. Rest in peace, good man, as we give thanks for your exquisite life and faithful witness.

“ *In Loving Memory of Brother Steven Kreamer
Of Mount Lebanon Lodge #226*

With heavy hearts, we bid farewell to Brother Steven Kreamer, who has been called to the Celestial Lodge above after 39 years of dedicated service to his Brothers and his community.

As a proud member of Mount Lebanon Lodge #226, Steven exemplified the principles of Brotherly Love, Relief, and Truth in all aspects of his life. His unwavering commitment to the Craft and his fellow Brethren was a testament to his character—a man of integrity, kindness, and wisdom. He was always ready to extend a helping hand, share his knowledge, and stand as a pillar of strength for those in need.

Though he has laid down his working tools, his legacy endures in the countless lives he touched. His presence will be deeply missed within our Lodge and beyond, but his spirit will forever remain with us. We take comfort in knowing that he now rests in peace, embraced by the Grand Architect of the Universe.

Brother Steven, your journey on this earthly plane is complete, but your light will never fade from our hearts. Until we meet again.

So mote it be.

Gosh this is hard! I knew Steve from high school. We were never close but he knew of me and I knew of him.

But it was later on, when as a family, we leaned on Steve and he was always such a compassionate person.

He chose a tough business but always rose to the occasion.

He was always able to share a joke. Once, when two uncles had passed in the same month, my brother and I sided up to Steve at the second funeral and said to him, "Hey Steve. Maybe you could arrange a two for one special this month?" He choked, then sputtered and then said, "Stop it! You are going to get me in trouble!" lol!

In 2019, I had just completed a move to England, when my mother passed away.

I was tasked with choosing flowers for her service.

I felt lost, and was dejected when I got to Kreamers after a long transatlantic flight, I was broken. Though the girls in the office were great, Steve must have heard me and came out from his office, and gave me the biggest hug.

It was no just longer business, it was friends.

I'll never forget that.

He was truly one of a kind.

My sympathies to his family.

I have lost a friend.

The world has lost a genuinely good human being.

“*Steve will be missed by so many people! My heart is broken that he is no longer on this earth with us but he is in a good place. I have sooo many great memories with him. He was a Godly man.*

Steve was my best friend while living in Lebanon county (non relative) and I cherished every moment I had with him. Also enjoyed my time with him as I made many business trips back to Lebanon as we would have a beer or 2 together and get caught up.

I will always love you and your family.

RIP Steve, you friend, Jeff Hall

Still reeling from this loss. I knew Steve since junior high, he was a central part of a group of close friends when I lived in the area. Steve was such a mensch - always kind, warm and well mannered. He was perfectly suited for his career, he brought genuine caring, a light touch and a bit of humor to the process of saying goodbye to loved ones. The phrase "pillar of the community" sounds a bit grand but he lived it. He was invested in Annville all the way, he gave his time and service joyfully. I have so many memories of him, all warm and full of laughter. A life well lived and a man we will all remember with love.

“ So very sad to hear of Steve's passing. Steve was so one of a kind, and a true friend to so many people in our community. Great memories of fishing Bachman's Run & creating the original nature trails around the quarry. RIP my friend. Until we meet again...
