“ *I met Sue when I transferred to Lancaster PA from San Leandro Kellogg's. I was trained by her on the shred line, spent many Wednesday nights after work with her and other Kellogg friends at Hot-z's. She was a great person to know and almost always smiling. May she rest in peace. And praying for her family and friends at this time of sorrow.*

“ I've known Sue since I was a little girl when Paul & Ginny had Mt. Springs. Her and Barry been together for a very long time. I would see her on my drives through Fredericksburg or I would go by they're house to see if Barry was outside or in the garage so I could say hello and see how they were doing. She was such an awesome person in every way. I'll miss not seeing her ,but I will always remember her. Sending thoughts and prayers to Barry and Steph and the rest of her family and friends. Love you Sue REST in Peace . Tell Butch hello!

“ I couldn't of asked for a better friend, sister, my ride or die girl. We've done so much, seen so much, laughed till our sides hurt and were very loyal to each other. I can't imagine not having her in my life after 40+yrs. God sure got himself a beautiful angel. I will miss you every single day of my life. I love you and will cherish our memories forever ❤️
