“ Mom, where do I start? I am missing you so much. You left us way to soon. I was not ready but I know your body was ready. You have been through so many obstacles in life but you have always came out on top. I can only hope that I will be as strong as you were. I am missing you so much. Please take care of Malahkai. Send us some beautiful butterflies this summer. I will always be thinking of you. I am struggling right now but I will be ok because you have shown me how to be strong.
