“ *Susan was always the kindest, sweetest, most beautiful of us all. I cherish the one on one time we spent together when her son lived in Alexandria VA and I lived not far away in Herndon, VA. When she would visit his family, she would make time to spend with me. We always did something fun and ate a good meal together. It gave us together time that we would not have otherwise had. I will carry her kindness and joy of life in my heart.
