

Susan "Sue" Feather Wolf

September 16, 1964 - December 27, 2022

Susan "Sue" Feather Wolf died suddenly of a cardiac event on December 27, 2022. Originally from Annville, she was born on September 16, 1964. She was a lifelong member of Christ Church United Church of Christ. During her time at Annville-Cleona High School, she played flute and piccolo in the band and loved singing in the musicals. She graduated from Annville-Cleona High School in 1982. She went on to graduate from Ithaca College in 1987 with a bachelor's degree in English. Sue then taught English in Japan for two years before returning to Pennsylvania. She held a variety of jobs in the communications field including Executive Director of the Lebanon County Bar Association. She most recently worked as the Committee Relations Coordinator for The Pennsylvania Bar Association.

She married her husband, Tom Wolf, on May 23, 1992 in Annville. They spent the last 30 years laughing, traveling, and raising their children together. Sue loved her pets, playing games with her family, hosting parties, watching Wheel of Fortune, and of course a good gin and tonic.

Sue is survived by her husband, Tom Wolf; her daughter, Carolyn Pirtle, and her husband Clayton; her son, Mark Wolf; her parents, Phil and Judy Feather; her sister, Karen Feather, and her husband, Michael Schroeder. She especially loved being a new grandma to her granddaughter, Audrey Pirtle.

A celebration of her life will be planned for late spring.

In lieu of flowers, please consider making a donation to The Lebanon County Humane Society and Lebanon Family Health Services

“ Karen and the rest of Susan's family-

Karen, I am so terribly shocked and sorry about this loss. I worked closely with Susan at the PBA and had no idea she was your sister. She was a delight to know and work with. Her presence is missed terribly already. May you and your family be comforted by the outpouring of affection so many of us had for Susan. May her memory be a blessing and may she rest in peace.

“ Sue was my counterpart at PBA. In the short time I knew her, she became a very good friend and an awesome co-worker. She never had a bad word to say even on the toughest of days. I was looking forward to getting to know her even better as we began to transition back into in person work. I am really going to miss her and her smile. My deepest sympathies to Tom and her children and her beautiful granddaughter.....she loved you all so much and her face just lit up whenever she talked about you. Heaven gained a true angel.

“ Tomorrow is the 1st of January 2023 here in New Zealand and our friends Tom and Sue were meant to be arriving here for their first ever visit . Tracey and I were so looking forward to seeing them again and to be showing them around New Zealand. I met Sue on a bus tour of Europe in 1985. There were large gaps where we lost contact but thanks to the computer age and social media our friendship was re-kindled. We visited Tom and Sue in 2012 with our children and then just Tracey and I visited in 2017 and headed off on a road trip with Sue & Tom to Niagara Falls and Ithaca . We had a lot of fun together, we ate, we drank, we laughed and drank some more. Such beautiful precious memories of our dear American friend. We are so sad that the bucket list holiday to New Zealand Tom and Sue had worked so hard for will not happen. Rest easy Sue, it was a pleasure to have known you. You are in our thoughts and once again our sympathies and condolences are with Tom and the families. John & Tracey Dawson, Auckland New Zealand

“ I was saddened to learn of Susan's sudden passing. I worked with Sue at the Pennsylvania Bar Association. Although most of our interactions were "virtual," it was always a pleasure to work with Sue. She was considerate and professional. The last time I saw her in person, she shared a picture of her little granddaughter, whom she obviously adored. My deepest sympathies to the family.

Words just cannot express the overwhelming sadness to this news. Sue was a very kind & thoughtful person & friend. Awhile ago she pm'd me, discovering we shared similar views on many topics. Relieved to share like-minded thoughts with someone, helps you know you're not alone. She is already missed. Sincerest sympathies to her friends & family. 🙏❤️🙏

My condolences to Susan's family and parents, Judy and Phil. I had many brief chats with Susan while she was working at the Lebanon County Bar Association when it was located in the Sullivan, Sullivan & Snelling office building. Susan was usually the first person that I would see and talk to when I arrived at the building. Susan was always very pleasant and friendly. She had a very positive and contagious attitude about life. I am sure Susan will be missed by everyone who knew her.

I was never blessed to meet Susan, however, as a work associate of her husband Tom I wanted to share my condolences to him and his family. Tom loved his wife and always has shared wonderful stories of their travels together. The soccer story from England will always be one of my all time favorite stories from anyone. Susan had to be one incredible lady because Tom is a fantastic person. Love and prayers to the Wolf family not only during this time but in the days ahead.
