ONLY strongest souls bury their own children on this planet. Souls with the most difficult lessons, but highest calling and experiences to share with the rest. Please stay strong and share your light with others. Write, journal, create in the name of her and your mission here that you must still accomplish!

“ *Another Angel has been added to the Heavenly realm. Her name is Taylor Nye. She will now watch over her loved ones as their angel. Directing them and guiding them through life. We do not know why someone as young as Taylor, has to leave, but I do know that she was finished with her mission here and had to move on to do something bigger. She is free now to do whatever God has in store for her. Do not weep, for she is not truly gone. She is in the wind and sun and everything around you. Feel her in the breeze and in the soft touch on your cheeks. May God give you peace.*
