“ Aunt Terry holds a special place in my heart. She always spoke with such enthusiasm and dynamic passion. I never heard a criticism, only compliments. Her visits were always filled with positive comments and joy of life. She brightened a room with her presence. People were drawn to her side, benefitting from her energy. Nothing was too much work for her to tackle with a smile. She appreciated people, places, and things. Coming from a family filled with remarkable women, I feel blessed to have had Aunt Terry as one of my role models. Her beauty and style glowed from the inside out!
