“ We Will Always Love You Uncle/Great-uncle Terry!!

Terry was such a kind, loving, family man, and No Doubt one of the funniest men around! He was always filling the room with smiles and laughter! As a child, who could ever forget Terry's famous super fast handshake that you felt all the way up your arm?!! We hoped he would do the handshake whenever we saw him, even if we had to dangle our arm in front of him as a hint, and he always did it! :) He was always supportive and involved in our lives. He loved and enjoyed coming out to watch all the families sporting games that he could! You could also count on seeing Terry at family birthday parties, graduations, graduation parties, cookouts/picnics (where he was king of the grill), holiday dinners and ANY family event you could think of! Terry is one of the greatest and committed family men we've ever known! We are so very blessed to have had him in our lives! Terry will always be in our hearts, along with wonderful memories, never to be forgotten!!
