“ Tommy was Born on a Sunday morning just before I played a round of golf. Criss called me and told me that Danielle had a boy and it was the best part of my day. It was the beginning of a great relationship that brought a lot of joy into my life. When ever Tommy came in to the room you knew that he would make you smile. He used to love riding on the front of my Z- mower sitting between my legs as I headed into a pine tree and just stop short of running him under it. The look I got from him when I did that was so precious. He was such a good boy that will be missed by many and I just want to say I will never forget you Tommy. I Love You so much!
