“ *My cousin Tim had a nice little wood workshop. He would let me use his workshop when I had a project to do. Enjoyed time with him at various Philli and Bears games. Sorry to hear about his passing.*

“ *I have many fond memories with Timmy, especially during the Summer months. Sometimes it was just finding a shady tree somewhere and talking for hours. Timmy was like my favorite little brother...along with Donald, Jerry, and Joey. Timmy always will have a special place in my heart.*
