“ Remembering Christmas day at Uncle Tim's house. I was young and loved videogames. I especially wanted the ps2..... Christmas morning Tim handed me a present that had a brand new ps2 inside. I was the happiest kid ever, that year Tim made my Christmas wish come true.

I remember Uncle Tim as the funniest guy in the family, he always put a smile on anyone's face who talked to him.

We're gonna miss you Tim.

“ *The day we decided to go sledding but no sleds. These refrigerator pans will do. Except we picked hill with trees. Tim crashes and breaks his collar bone.*

Riding ponies in swatae and swimming. Riding in the fields.

Picking weeds in garden and taking salt shakers with us for home grown tomatoes.

I will miss you little brother but my memories I will always have.

Love you Tippy
