“ Tina worked for my husband at Ft Campbell in the retired services office. They became good friends. His name was Art but she called him Walter because of his Walter Matthau type of mustache. Rest in peace, Tina

“ I met Tina during her time at the VA in the HR department. I only had a few interactions with her, however, each time she was professional and kind. My condolences to Tina's family.

“ I met Tina during our time at the VA. She was a ball of love, laughter, spunk, and sass. She welcomed our daughter with much love and joy. I am so sorry for her loss, and my thoughts are with her family during this sad time. She will be missed.

“I’m still holdin’ on to everything that’s dead and gone. I don’t wanna say goodbye, ‘cause this one means forever. And now you’re in the stars and six-feet’s never felt so far. Here I am alone between the heavens and the embers.”

I was just a baby, with impulsive aspirations. January 6, 1999 was the day I met you. I was in awe of you and intimidated all at the same time. My first real boss in my first real job...the US Army. Tina Husson, you helped shape me to who I am today. Fort Wainwright, Alaska was different back then. You held me to standards I didn’t know I was capable of and encouraged me as I began to navigate adulthood. I could never thank you enough for all the solicited and unsolicited advice you gave me.

When they say friends that are like family, we all were the epitome. My circle is so small and many are people from this time in my life. When Malik (2001) was born, you loved him like your own. When Avery (2002) and Lueranze (2005) were born, you made sure to let me know you were loving them from afar. When I had Emmitt (2016) and Braylon (four months ago) you called me and gushed over pictures and videos.

I’m going to miss your random check-ins and hearing your voice and laugh. Thank you for everything ❤️

“ SFC Tina Dowling was my first NCO when I arrived to Fort Wainwright, AK in 1996. She was tough on me but she was also a great mentor. Someone who knew my potential and would not allow me to fail. She was at my wedding reception, she was there for my baby shower and when my son was born in 1997. She was there to celebrate my son’s 1st birthday. She made sure to come by and see us the day before we left Alaska in 1999 to give my son his birthday present since he would turn two after we left. She was not only there for me, but she was there for so many of us. SFC Tina Dowling you will be missed but never forgotten. Thank you for your service 🇺🇸

Prayers to all that knew her and loved her.

“ I will forever be thankful Tina came into my life. She was a force to be reckoned with. She loved hard, worked hard and played hard. We celebrated our 50th birthdays together shortly after becoming friends and it was the best party! Tina lit up the room when she entered. She was so proud to serve her country and did so with honor. She loved her family and spoke highly and proudly of her nieces and nephews. She loved her dogs and cat and gave them a wonderful home. I will miss her quick wit and compassion. Love you my friend. ❤️👍
