“ We were so sorry to hear of the passing of your mother. We had just visited her before Thanksgiving and she was so upbeat despite her recent illness. We were so shocked to hear that she had passed when we went to visit after Christmas. Tressa was very special to our family. We enjoyed taking her to the park for a picnic birthdays and going to visit her and looking at her art work. We enjoyed reminiscing with her about the fun things we did when William was the activities director. We are sorry for your loss but thankful she no longer has to suffer.
