“ *I so, so wish that I had a photo of Vanessa and I. I met her when I was 17 years old and we clicked right away. She and I met while we were both in a dark place in life but she brought so much light into mine. She made me laugh non-stop, sometimes at the most inappropriate times! But it kept me going. She kept me going. I just found out today, about the loss of beautiful Nessa, and I was shocked and heartbroken. The world lost a beautiful soul. I love you Nessa.*
