

Victoria J. "Vickie" Leone

August 14, 1945 - December 7, 2025

Victoria J. "Vickie" Leone, 80, of Cornwall passed away Sunday, December 7, 2025, at her home. She took her last breath peacefully with loved ones by her side.

Vickie was born in Hoboken, NJ, on August 14, 1945, to the late James and Doris (Tett) Mackle. She was a true "Jersey Girl" who was proud of where she came. She epitomized her Zodiac sign as a tough, fiesty lioness and was very happy to share her birth month with her two sons. Vickie was a hard worker who spent most of her working life as a waitress and in home childcare provider. She loved the kids for whom she cared and tried to treat them as if they were her own. She was like a second mom to many of them as well as lots of the kids in the neighborhood. She was the "cool" mom who was always willing to give in a little to make sure they all had fun. She truly loved Little League Baseball and especially watching her sons play. Those were some of her happiest memories. She ended her career as a manager at Wal-Mart in Lebanon where she met and befriended her daughter-in-law before she married her son. She was very well liked by everyone and made lifelong friends everywhere, whether it was at a job or playing online bingo with friends from other states. She enjoyed crocheting, playing games online and watching tv. She had many pets over the years and loved animals in general.

She is survived by her sons Scott J. husband of Tara Leone of Cornwall and

Michael W. husband of Becky Leone of Newmanstown; the father of her sons and close friend Louis P. husband of Ann M. Leone of Lebanon; her uncle William Tett of Santa Rosa, CA; three grandchildren; one cat; and countless friends who will all sadly miss her.

A memorial service will be held at 11:00 a.m. on Monday, December 15, 2025, at the Kreamer & Lum Funeral Home & Crematory, Jonestown. There will be a visitation one hour prior to the service.

“ She was the best mom we could have asked for. She was happiest when she made others happy, she would give anything to someone who needed something, she would fight for those she cared about and defend those who couldn't defend themselves, she did without asking, she was genuine and if she loved you she loved you right or wrong. She was a positive person who was an ear or a shoulder whenever it was needed. We will miss her dearly but think about her smile and the good times everyday. I love you mom and I will never be able to find words to tell you how much I appreciate you and everything you ever did for us. Rest in peace.

Scott

So sorry to hear about the passing of your Mom, My friend. Her and I plus a couple other co-workers were the devils of Wal-Mart with some of the antics/trouble we got into. I admired her very much...she was a true people person, always willing to lend an ear when things were down, lending a hand or just being one of the crowd. Her personality was awesome. I can't get around much so when saying your final goodbyes, say it for me .
May she REST IN PEACE . 🌹
