“ We are sorry for your loss. Violet was such a good person, She will live on in our memories forever. Our heartfelt condolences to the family. I know that she wouldnt want us to mourn for her... we mourn for us, for the presious gem we lost here on earth,and for that I am so thankful for the woman that gave me the man I love and I want her to know that she leaves a legacy behind that I am blessed to call mine. I will be forever thankful for the way she taught her son to love his wife by the way she loved her husband, for instilling in her son a tremendous work ethic, for the way she taught her son to be a gentleman, for teaching her son to be a man of character, ethics, and a honest and gentle and caring man ... and for loving me, worrying about me, and caring for me like the daughter she never had and with all that I will be forever Greatful to that wonderful woman Violet. Much love Uhura and Chandler Fisher
