“ *What a shock to receive such sad news. My condolences to her family and all those that cherished this woman as a friend or co-worker. Ginnie left an indelible impression on my life to which I am forever grateful. She lived with her spirit for all to witness. Her kindness, quick wit and humor will be sorely missed. I will remember all the fun days we had working together, and I will continue to avoid the caterpillars as they crawl out from the cornfields!!*

“ *Deepest condolences to Ginnie's family on behalf of the Annville-Cleona Alumni Association. I remember Ginnie from high school (she was a year behind me), and, if memory serves me correctly, I think she was a cheerleader. So sorry for your loss.*
