“ Virginia (Ginny) was a “happy go lucky” lady, she never let anything get her down. She loved having her family around as she hurried from the sink to the stove to the table, getting dinner ready to serve. I enjoyed being a guest in her home! She loved making scrapbooks with family pictures for her children and grandchildren. She liked making pretty quilts also. You could usually find her at church on Sunday morning. Ginny will be greatly missed.💖😭💖💖💖
