“ *I always liked Mr Shirey. He was a very kind and funny Dad, a good man. Always polite and caring and took the time to say hello and ask how myself and my family were doing. I know he meant the world to Cat and the boys. I'll be keeping everyone in my thoughts as time passes. And I hope that Ed is at peace and able to hug and play drums with his son Eddy once more. I have a photo of Eddy up that I say hello to every now and then. One of my true friends that we lost way to early. Rest In Peace boys and know you were both loved dearly.*

“ *I spent most of my free time during my high school years with Jordan, Ed and Cat. I was treated like a king whenever I visited. I'm very sorry to have grown apart from the family and am extremely saddened by the untimely passing of Ed. I can only wish for peace and serenity to all his friends and family members. I have many fond memories of Ed (most of which shouldn't be shared here). May you find peace in knowing he is no longer suffering and has made his journey to the afterlife.*
