“ So sorry to hear about Walt, Jane. We were long-time neighbors of yours at the Henlopen in Rehoboth Beach, and Walt loved to swim in the surf well into his 80's. He was also a member of the condominium council and an expert on engineering issues. Walt was a really good guy and will be missed and remembered!

“ Patti and I have fond memories of many events we had with Walter and Jane. Walter was an outstanding person and excellent engineer. He designed many major water projects for Pa American Water Co. and I developed a great friendship with him. I enjoyed playing golf with him over the years. Walter was a very special person and well respected by all . May he rest in peace. Bob and Patti Ross
