“ *I never knew this was "Bud's" full name, I love it! Having only met him a couple of times, he was a quiet man, one of many, many siblings which always amazed me, especially when viewing family photos. I had the distinct pleasure of his daughter, Lori Locketto, as my sister in law, which she will always be in my heart, one of the most giving, loving, of a person I've ever met, for that I thank you Bud. May your spirit rest in the souls of those who survive you, and thank you for your service.*

“ *My uncle "Bud" as we called him was a hardworking man. He and his family lived with us for a few months when they were building a new home. He renovated the basement. He cleared out the woods out back. He dug out and sealed the basement walls. He worked full time. He was a role model for me at a time when i needed one.*

“ I remember Warren as a great Senior NCO and trainer of us young guys in the EC-130. He taught me a lot, and I will always appreciate him for that. He will be missed.
