“ I grew up half a block from Wayne's family home on New Street. Wayne was a local DJ, providing music for many of the playground dances so he always had the newest records. We would sit on the steps of Stoudt's store and listen to Wayne play records, often for hours at a time. I recall a time when I ran into Wayne with his red Econoline van parked in front of his parent's home. I asked him "what's new" and he said I have a new puppy. He opened the side door of the van and I was instantly tackled to the ground by Wayne's new St. Bernard puppy! Even then, Wayne was into Christmas lights. He would string lights across New Street every Christmas, attaching the string to a house on the other side of the street. Wayne was a great guy and I know he will be missed by his family and friends.

“ You will be greatly missed my dear friend. We had some good times working together at the Hose as well as at all the Arnold family functions. I was very blessed that you considered me a part of your family. I will always be grateful that you were a part of my life. My heart goes out to my dearest friend Sandy as well as to Todd, Ashley & Nick for their loss. You may be gone now but you will never be forgotten. Love Deb

“ We are so sorry for the loss of Wayne. He was the type of person you meet and instantly love. He never judged anyone and always looked on the bright side of life while our daughter Tammy was married to their son and even when they divorced he had a special place for his Grace (as he called her) He had such a hard time when we lost Josh but went on and continued because he loved his Granddaughter Ashley and his great Grandson Nick. He loved his wife Sandy and his son Todd. He will truly be missed. May you all find peace in knowing he is no longer in pain and is rejoicing in Heaven with Josh Love Rump and Lorraine
