Tribute Wall

“ *Today is the anniversary of the passing of his mother in 1991. Bonnie was my dearest friend and I still grieve her loss. Beautiful person and beautiful memories. The last time I saw her 2 sons they were in their teens. I just came across this obituary while trying to learn what and where they are. Bonnie loved babies and was always knitting baby things. That was her passion to retire from nursing and devote her life to babies. She would have loved to be here for all you grand and great grandchildren!!! I am sending her love to each and everyone of you as well as Herb and his family. Rest in peace with your mom and dad.*

 *I still have a vision of you as that sweet gentle teen!!!*
