“ Yvonne, my heart goes out to you and your family during this time. May the peace that only Jesus Christ gives, strengthen you during yet another family member lose in such short period. Younger sisters are special, we try to be good examples, because in a sense, we feel responsible for their well being. However, once they become adults, they "grow their own wings to fly", and not much can we do there. Was just reminiscing, moments of joy under the Brooklyn Bridge, with uncle George, aunt Delia, mom and us cousins playing to our hearts content, and Yoli's contagious laugh and her quirky sense of humor. As I lift you up in prayer, may you keep the memories of good times, the laughter, and the special moments that made unique your family bonds, that God, in his provident will gave you to enjoy and love.

My deepest sympathy,
